Options Evening
24th January 2018

Welcome to our Year 8 Options Evening.

The evening has been designed to allow you to visit up to five subject areas. This will help you and your child to make the right decisions regarding their choices of subject.

To help the evening to run smoothly please read the following guidelines.

- ◆ Each presentation will take around 5 minutes with 10 minutes for any questions
- ◆ The end of each session will be signalled by the College bell. Please move on as quickly as possible to your next room as each presentation will begin promptly.
- ◆ Presentations mostly take place in normal subject areas; however the rooms are shown underneath the subject in the attached table. Your child will know where to go for these subjects.
- ◆ The Senior Leadership team will be available to offer advice and answer questions throughout the evening. They will be in the foyer if you wish to speak with them.

Thank you for attending the evening.
