TEACHER OF SCIENCE (Maternity Cover)

MPS/UPS

Fixed term contract until 31 August 2018 in the first instance

Required from January 2019

We are looking to appoint an enthusiastic, well-qualified and motivated teacher to join our successful team of committed science teachers. The post is open to both NQTs and experienced teachers.

Visited by Ofsted in February 2017, the College maintained its 'Good' status, with the official report stating the following; "New teachers feel very well supported and all staff value the helpful opportunities for professional development in a culture of encouragement."

Standards in science have improved rapidly over recent years and we now enjoy outstanding student outcomes. Teaching in the department is strong and students are well-motivated to learn in this vital core subject. The successful applicant will join a vibrant department where all teachers are committed to improving student progress as well as providing a range of exciting extra-curricular opportunities. This is a unique opportunity to work with an exceptional specialist team and with students who are passionate about science. The ability to teach science across Key Stage 3 and Key Stage 4 is essential.

Visits to this truly unique College, prior to application, are warmly welcomed.

Further details are available from Hanna Stedman, PA to the Headteacher.

Closing date: 12 noon on Wednesday 17 October 2018

We **do not** accept CVs by way of application.

East Sussex County Council is an authority committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
