

Art Ideas

Start an Art Journal:

Draw or make something every day!

Find or make a little notebook and draw something in it every day, even if it's just a doodle or a pattern. Need some inspiration for what to draw? Try this site:

or draw real things you find in your house or garden. Can you draw a tea-cup, or a hair-brush? Or maybe three different leaves?

The Tate has some great art ideas for you to try at home, or online:

One of my favourite craft websites is

<http://madebyjoel.com/>

This has some good ideas for bigger projects, which might need adult input, but also some printable colouring sheets too.

Now that the weather is warmer, you could try your hand at some natural art in the style of Andy Goldsworthy: collect twigs and pebbles from your garden or on a walk and get creating. Send us your photographs: info@russell.richmond.sch.uk

Don't forget to enter your favourite drawings or paintings in the Royal Academy Summer Exhibition. The closing date is 24th April and you enter by uploading your images online at:

<https://youngartists.royalacademy.org.uk/>

Entry is free and you can submit up to 3 pieces of artwork each.
