

Design Technology Ideas

The Romans have asked you to design and make a catapult.

The Local Council need a new strong bridge across the Thames. They have hired you to build it!

England and Scotland need somewhere to play their next game. Design and build a table football game.

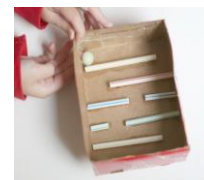

You are stranded on a desert island! Design and make an escape raft that floats (perhaps using sticks and string).

Design and make a bubble wand using pipe cleaners.

Design and make a marble maze or marble drop.

A ski resort needs a new cable car. Design a cable car to transport a Lego figure down a zip line.

You are hired by an amusement park to create a new rollercoaster.

NASA needs you to build a new rocket.

Your family wants a new home and they want you to build it!

Hollywood hires you to build a set for a new Stars Wars movie.

It's party time! It is up to you to make a pizza for the guests.

You open a new cafe in town. Design and make the best toasted sandwich in town!

Make some gingerbread biscuits or Easter cakes to share with the family.
