## TO CHALLENGE MYSELF, I COULD...

Use your local library to research the Stone Age, Bronze Age and Iron Age history of your local area. Are there any sites to visit, or can you find any relevant online images or news stories?

Iron Age people started growing crops such as spelt wheat, barley, rye and oats. Can you find these foods in your house? Can you find out where these crops are grown now? List your findings in a table.

We know about prehistoric life from artefacts that have been found, such as food, coins, tools and jewellery. What might historians of the future find out about you from your everyday belongings? Write a newspaper report about a find 1000 years in the future.
