## Autumn Term Curriculum Overview Year 2 2018-19

### English

#### Reading:

- To understand and follow a story.
- Be able to read a story fluently, smoothly and with expression.
- Be able to re-tell a story in sequence and recall/locate important information from the book.
- To understand the features of a non-fiction text, including the purpose of a contents page and index.
- Read your own work aloud with appropriate intonation to make it clear.

#### Writing:

- To plan and write an entertaining story based on a familiar text
- To plan and write a non-fiction report
- To include new words in our writing
- To check our writing and make improvements

#### Grammar, Punctuation and spelling:

- To use think/say/write/check
- To use and/or/but
- To recognise verbs and use them in our writing
- To recognise adjectives, statements, exclamations, questions and commands

### Mathematics

- Be able to count in steps of 2, 3, 5, and 10 from any number (forward and backward).
- Recognise the place value of a two-digit number - use this to solve problems
- Represent numbers using pictorial representations and objects.
- Compare, order, write and sequence numbers 0-100.
- Add and subtract numbers using concrete objects, pictorial representations, and mentally, including: a two digit number and ones; a two digit number and tens; two two digit numbers; adding three one digit numbers.
- Recognise and use the inverse relationship between addition and subtraction and use this to check calculations and solve missing number problems.

#### Arithmetic

Recall and use addition/subtraction facts to 20 fluently.

Learn by heart: 2x, x3, 5x, 10x table facts.

Learn number bonds to 10, 20 and 100.

To be able to half and double two digit numbers.
