ATTENDANCE: YEAR R & 1 97.7%
YEAR 2 & 3 98.1%
YEAR 4 & 5 99.2%
YEAR 6 98.6%

AIRE CLASS - This week the children enjoyed some follow-up work about St Michael's Mount. They wrote about what they had learnt, and also 'thank you' letters to the people who helped with the visit. They especially enjoyed Mr Phillips' 'Giants' storytelling, impressing him with their recall of the stories, and also learning some Cornish words. In English, they have continued and finished their 'Volcano Adventure' stories, while in Maths they have been very resourceful and resilient while finding the missing numbers in additions and subtractions. Lots of activities have been taking place in the garden during the fine weather, with the children showing good cooperation and teamwork in their activities. We have also enjoyed observing the baby swallows in the nest in the Hexagon, and introducing the Hare and Bear puppets to Logan J.

AIRE SUPERSTAR is Logan J for a super start at Sennen School, enjoying a wide range of different activities and starting to make friends already.

BRISONS CLASS - This week in Brisons has been jam packed! We have been testing our knowledge of 2D and 3D shapes and describing shapes just by their feel. Also we have finished the week recapping on time with some word problems. We finished our instruction writing and have begun to discuss our favourite stories. We worked in small groups to create some fantastic descriptive sentences then we presented them to the rest of the class. Our afternoons have been just as busy, we have played rounders and it seems we have some big hitters! We practiced our art skills as well, drawing our own versions of L.S Lowry paintings. The children also finished painting their blue bottle flies which will be part of the parade at Saturday's Lafrowda celebrations.

BRISONS SUPERSTAR is Izzy for showing such great resilience in all she does and is a fabulous role model for the class.

COWLOE CLASS -Year 4, 5 and 6 have all had a fantastic time on camp showing a great deal of resilience, resourcefulness, reflectiveness and teamwork making all adults very proud. They maintained their enthusiasm and energy at our beach cricket day on Thursday and the Year 5's enjoyed their enrichment day at Cape Cornwall. Towards the end of this week we have been writing diaries about our time at camp adding as much detail as possible and enjoying the feeling of reliving those moments. **COWLOE SUPERSTAR** is Kendra for joining Sennen School with a positive, friendly attitude and being confident enough to throw herself into all challenges at Porthpean.

LYONESSE CLASS - Well camp has been and gone and we now look forward to Lafrowda this weekend. I hope to see a good representation from Lyonesse class on their last one with Sennen School. On camp Lyonesse class were exemplary. They tackled all the challenges they were faced with enthusiastically, pushing themselves to accomplish things that had not before. They also set an amazing example to the younger children in the way they were responsible for themselves and their kit; ensuring they got on with everyone and maintained the harmony of the camp. There are too many highlights to mention them all; but the children's resilience and determination to enjoy themselves during the poor weather conditions on Tuesday was fantastic. The instructors picked up on this as well and were very impressed. It is a privilege to be their teacher and camp always reminds me of this and how much Mrs Lane and I will miss them next year.

LYONESSE SUPERSTAR is Cory for making a fabulous start to life at Sennen, and wonderful trickery in the talent show.

The winning house is Gwynver with 302 house points, Maen had 269 and Vellandreath 254. Skye had the most points in Gwynver, Jago H and Logan W in Maen and Alex W in Vellandreath - well done everyone!

WHAT'S ON NEXT WEEK?
