

The school's use of the primary school sport funding

2016 -2017

DFE Objectives – *“Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.*

- **Specialist Teachers and CPD**

A specialist PE specialist continued to deliver consistently high quality teaching and learning with children of all ages making good progress. CPD opportunities are accessed through the Dartmoor SSP on a regular basis to maintain and develop excellent subject knowledge. The Ssco for Teignmouth has delivered a block of Rounders sessions to YR5/6 this term and the SSP Cricket coach has delivered weekly sessions to YR2 & 3.

- **The increase in offering activities as games, dance, gymnastic, swimming and athletics**

A group of Year 4 children worked during after school sessions to create a dance and then performed it at the SSP Dance Celebration with great success. Year 2 attended a Mini Cricket Festival and a group of children in Year 4 attended the Beach Festival which included Cricket based games. KS1 have attended Funfest events. All Year 6 children had the opportunity to complete Bikeability training and the majority have achieved level 2.

- **The increase in success in competitive school sports**

At Shaldon we have a longstanding reputation for being successful in a broad range competitive school sport both within the learning community and the area

This year we have had success in the following competitions:

YR3/4 Tag Rugby - 7th in SSP finals

YR3/4 Tag Rugby – 1st in Newton Abbot RFC competition

YR5/6 Tag Rugby – 4th in SSP finals

YR5/6 Tag Rugby – 3rd in Newton Abbot RFC competition

YR3/4 Cross-country – 2nd team in SSP

YR5/6 Cross-country – 2nd team in SSP

YR3/4 Handball – 4th in SSP finals

YR5/6 Handball – 2nd in SSP finals

YR5/6 Football – 3rd in Teignmouth schools

Yr3/4 Tri-Golf – 2nd in SSP, 5TH Devon School Games

YR3/4 Athletics – 1st in Teignmouth Schools, 5th in SSP Finals

YR5/6 Athletics – 1st in SSP, 3rd in SSP Finals

KS2 Swimming Gala – 1st

- **Inclusive PE curriculum & Provision**

PP, SEN, G&T children are all well provided for within the PE and School Sport.

Within lessons individual needs are met through differentiated and open ended tasks, use of a range of equipment, adapted games and peer coaching. Children gain confidence in their abilities with

consistently good teaching and clear progression. Children aspire to do well from seeing good performances by other children in lessons.

Sports clubs are open to all children who are keen to extend their learning and develop their skills. Children are signposted to local clubs to challenge themselves further.

- **Increased range of traditional and alternative sporting activities**

During this year we offered a varied range of school sports opportunities eg. Football, Tag Rugby, Handball, Rounders, Tennis, Street-surfing , Archery, Multi-sports, Gymnastics. Year 6 pupils have a once in a lifetime experience this term spending two nights on a Tall Ship. They are also gaining their ? award in dingy sailing

- **The improvement in partnership work on physical education with other schools and other local partners**

We are highly valued members of the Dartmoor SSP and have been so for the past thirteen years. Our Year 5 class attended free taster sessions locally at Broadmeadow Leisure Centre to make them aware of Junior classes available. At assembly the children had an inspirational talk from an Exeter Chiefs player. We have links with local sports clubs and providers - Teignmouth Rugby Club, Shaldon Bowling Club, Teignmouth Hockey Club, Teignmouth Golf Club, Young Spirit – Adventure Company, Evolve Biking, Seaspots Southwest, Teign Corinthian Yacht Club, Island Cutter Trust, Disables Sailing Association

- **Links with other subjects that contribute to pupils overall achievement and their greater social, spiritual, moral and cultural skills**

All aspect of Physical Education reflect our school values. All children are encouraged to have a ‘can do’ attitude and work hard to achieve excellence. Games lessons – include SMSC development through teaching of: fairplay, co-operation, competition, respect

Four Me’s – healthy, physical, thinking & social – links with science, family groups, playtimes

Dance linked to curriculum topics and skills progression in place. Athletics has links with Maths i.e. measuring, estimating, recording, timing etc.

- **The greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils health**

A lecturer from Exeter University talked to pupils re the dangers of eating too much sugar and the importance of regular and intensive exercise. Other local providers also put on workshops for the children on mental health, sports activities, environmental health. We have promoted healthy lunchboxes and are monitoring certain children to check that they don’t eat too much at lunchtime.

Through the Knowledge & Understanding of fitness/health strand in PE planning. Pace and levels of activity are high. Children talk about the importance of fitness, types of fitness and healthy eating and reflect on the impact to long term health.

Change for life literature is available to the children and their families.

Learning in Science.

ACTION	COST	IMPACT
Resources Samba Goals Gymnastics Mat Sports T-shirts Tents x 2	£274.78 £107.99 £110.00 £139.98	Pupils learning is supported by high quality resources
