

# **GUIDANCE FOR APPLICANTS**

## **INTRODUCTION**

Thank you for your interest in working for Southend East Community Academy Trust. Our recruitment procedure is intended to ensure that we not only appoint the right person to the job on the basis of merit, but that everyone who expresses an interest in working for the Trust is treated efficiently and courteously. To help achieve this aim the Trust is committed to giving you reasonable time to apply for a job, treating you with respect and fairness and being open in relation to our recruitment and selection process.

Please read the following sections carefully. They will provide you with information about how we select people for jobs and help you maximise your chances of success.

## **COMPLETING THE APPLICATION FORM – GENERAL GUIDANCE**

Please complete your application form using type or BLACK or DARK BLUE ink.

The application form must be completed in full. If any section does not apply to you, please write N/A in the space provided.

A Curriculum Vitae (CV) can be enclosed as a supporting document, but not as a replacement for any part of the application form. Therefore, you should read and complete each section of the form. You may consider doing a rough draft before completing it.

The application form is your opportunity to show us that we should interview you. We will have provided you with a job description, which lists the main tasks of the job, and a person specification, which lists the qualities we are looking for in the applicants and you should use these documents as a guide in completing the application form. If you do not show us how you meet the requirements, you will not be invited to interview. However, it is important that you only provide information that is relevant to the post you are applying for.

You may include information about voluntary activities and/or employment that is relevant to the post you are applying for.

If there is insufficient space in any section of the application form, you may continue on a separate sheet(s) if necessary.

In the interests of economy we do not normally acknowledge receipt of completed application forms and only contact shortlisted candidates. Nevertheless, the Trust sincerely appreciates your interest in the post.

# INFORMATION FOR APPLICANTS

## EQUAL OPPORTUNITIES

The Trust's Equal Opportunities Policy applies to the employment of all staff and fully supports the principle of equal opportunities in employment and firmly opposes all forms of unlawful or unfair discrimination on the grounds of colour, race, nationality, those with dangerous transmittable diseases (e.g. Hepatitis & HIV), ethnic or national origin, gender, marital status, sexuality, age, disability, trade union membership, religious belief, and offending background.

The Trust's equal opportunities policy requires that the recruitment process must lead to the employment of the most suitable individual for the job, taking into account only experience, skills, abilities and qualifications.

To assist us in monitoring the effectiveness of our equal opportunities policy your information pack includes a monitoring form. The form is used for monitoring purposes only and plays no part in the selection process. The monitoring form is separated from the application form upon receipt. We hope that you will complete and return it with your application form.

## JOB SHARING

All jobs within the Trust can be considered for job share.

## REHABILITATION OF OFFENDERS ACT 1974

All applicants are required to declare any unspent convictions under the Rehabilitation of Offenders Act 1974 as amended. However, all posts require applicants to obtain a Disclosure from the Criminal Records Bureau (CRB).

The Trust complies fully with the CRB Code of Practice and a copy of this is available on request.

It is a criminal offence for a barred individual to seek or undertake work with vulnerable groups, and for employers to knowingly take them on.

From June 2013, the new Disclosure and Barring Service was introduced which includes and Update Service. The Update Service allows for an individual to have their criminal record check kept up to date and employers will be able to go online to see if the information released is still current and valid. There is a charge to the individual for this service

## ASYLUM AND IMMIGRATION ACT 1996

The Asylum and Immigration Act 1996 requires the Trust to ensure that it does not employ people who are not entitled to live or work in the UK. Therefore, you will be asked to provide two of the following documents during the appointment process.

- A document showing your National Insurance Number (e.g. a P45, P60, payslip, a National Insurance card).
- A passport confirming British or EU citizenship, or which shows the entitlement to live and work in the UK.

- A birth certificate.
- A letter from the Home Office confirming that you are allowed to work in the UK.
- We will advise you of the stage of the recruitment process that you will need to provide such documents.

The Trust must receive references that are satisfactory to us before any offer of employment can be made. One reference must be from your current or most recent employer, where applicable.

The Trust is required to ensure that all appointments are on the basis of merit, and that there is no conflict of interest between its governors and employees. Therefore, you are required to declare in writing whether you are related in any of the ways described below, to any current governor or employee of the Trust or to the partner of such a person. The declaration of any such relationship will not disqualify you from consideration. However, to ensure that the Trust's recruitment decisions are seen to be fair and on merit, the appointment of an applicant with such a relationship(s) must be authorised by the Chair of Governors and Headteacher.

The relationships that must be declared are:

- |                                    |                           |
|------------------------------------|---------------------------|
| ▪ Parent (incl. In-laws)           | ▪ Brother (incl. In-laws) |
| ▪ Grandparent                      | ▪ Sister (incl. In-laws)  |
| ▪ Partner (whether married or not) | ▪ Uncle                   |
| ▪ Child                            | ▪ Aunt                    |
| ▪ Stepchild                        | ▪ Nephew                  |
| ▪ Adopted child                    | ▪ Niece                   |
| ▪ Grandchild                       | ▪ Dependant               |

A failure to disclose any such relationship or directly, or indirectly seeking the support of any governor or employee for any appointment with the Trust, will be investigated. Candidates should be aware that this may lead to disqualification or may be dealt with under the appropriate procedure which may include the Disciplinary Procedure.

Any candidate who is unsure whether or not a relationship should be declared (or where the relationship is one not listed above) is advised to contact the Trust.

### **SHORTLISTING**

Applicants will be shortlisted on the basis of the information they provide via the Trust's application form and supporting documents.

### **INTERVIEWING**

In order to ensure fairness, selection will be made in all cases following an interview with a panel of at least 2 Trust employees. For senior management posts, the selection will involve an interview with a panel including governors.

Depending on the number of shortlisted applicants, there may be a preliminary interview to select who will progress to a final interview.

If, in addition to an interview, there are any tests or a lesson to teach as part of the selection procedure, you will be given details if you are shortlisted. Where candidates are required to make a presentation or teach a lesson the Trust will make the necessary facilities available.

## **MEDICAL CLEARANCE**

Any appointment will be subject to medical clearance. In order to progress your application, you will be asked to complete a medical questionnaire and return it under confidential cover to the Trust's medical advisor. In some circumstances the candidate may then be required to undergo a medical examination.

## **EXPENSES**

Reasonable expenses incurred in connection with attending an interview or tests that form part of the selection procedure will be reimbursed on the basis of rates adopted by the Trust unless the post offered is refused. A claim form will be provided for your use.

## **DATA PROTECTION ACT**

The Trust fully supports and adheres to the principles detailed in the Data Protection Act 1998. Please note that the information you give us in connection with your application may be processed by a computer or manually, but in any event, will only be used for recruitment and selection purposes. Should you become employed by the Trust, some of the information may be put onto manual and computerised staff records.

## **NATIONAL FRAUD INITIATIVE**

The Trust is under a duty to protect the public funds that it administers and to this end may use the information you have provided for the prevention and detection of fraud. The Trust may also share this information with other bodies administering public funds solely for these purposes.

Thank you for taking the time to read these guidance notes. We look forward to receiving your application.

It is collected to help the Trust ensure that its recruitment arrangements are fair and to monitor the effectiveness of our Equal Opportunities Policy. The information that you provide will be treated in the utmost confidence and will only be used for statistical purposes.
