Enjoying and Achieving Together

Friday 3rd March 2017

World Book Day 2017

Thank you for supporting World Book Day this year. It was great to see all of the different characters coming in to school. Thank you for taking the time to find costumes. The classes paired up for some reading activities and enjoyed sharing reading with each other.

Thank you for finding the time to come into school and share some reading with the children. A special mention goes to Mrs Oertel who even came in costume!

Photographs will be on the website, so you can have a look and see some of the amazing characters who came to school on Thursday.

School Website

We now have a new website which is accessed through the Trust website. Why not have a look and see what you think? It is a work in progress at the moment, so we do welcome feedback from parents and carers on how easy it is to navigate and what content you might like to see on the site.

<http://www.lacon-childe.org.uk/>

At the moment, the site is accessed through the above link, but don't worry, we are having it changed so it better reflects the different schools in the Trust.

Safer Schools

I know that traffic and parking around school are issues which concern most parents and I will be meeting with members of the community again this week to address these issues. We have also booked an assembly with the CSO and some additional road safety training for the children. Hopefully these initiatives will help to contribute to the safety of the children at home as well as in school.

Outstanding Payments

The vast majority of outstanding payments have now been cleared. Thank you for doing this.

Squid

I hope that you have all managed to sign up to Squid for payments. Even I have been able to manage it, so it must be easy! Please let the office know if you are having any difficulties with this.
