## Parents' Evening

It was good to see so many of you at Parents' Evening this week. I hope you received information which helps you to understand how your child is progressing in school. If you were unable to attend the meeting, or would like an additional appointment, please contact the office, either in person, by phone or email.

It is really important that we work in partnership with you to ensure your child achieves the best possible outcomes, so please do contact us, if you have not already done so.

## Attendance

Attached to this newsletter is some information about attendance and late arrival at school. We are going to be having a bit of a push to improve attendance in the remaining part of this term. We do have a class of the week for attendance each week and the children get 'golden time' if their class is the winner.

Although the vast majority of children arrive on time every day, we do have a few persistent late arrivals. It can really upset the children, even if they only arrive a few minutes late, so please let us know if there is anything we can do to support you to help your child arrive on time and ready for learning.

## Red Nose Day

This year, Red Nose Day is on Friday 24<sup>th</sup> March. Mr Morgan is organizing things this year and will be talking to the children on Monday about how we are going to celebrate and raise a little bit of money for this great cause.

## Mothers' Day

As has become the custom in school, Friends have very kindly organized the stall again this year. Children can buy a ready wrapped gift for their mum or other significant person in their lives from the stall next week. For the bargain price of £2, they can choose from a selection of good quality gifts. The children really enjoy having the independence and responsibility of choosing a gift that they can keep as a special surprise. Just send in the money with your child next week and we will organise things.
