24th September 2018

Dear Parents/Carers,

Your child will be studying for their Biology, Chemistry and Physics GCSEs during their time in KS4, which will involve the completion of six examinations in the Summer of 2019. To assist them in achieving their full potential, the Science Department will be providing each student with the opportunity to purchase a revision guide and an accompanying work book for each of the disciplines. This will help your child with their revision and assist in completing homework tasks, so we therefore recommend that all pupils obtain their own copies. They are available to purchase from school at a combined discounted price of £20 for all 6 books (each book separately has an RRP of £5.99).

On-line Payments - This is now available to all parents/carers who have registered with ParentMail and is the preferred method of payment for all visits, trips and payments to the school. You will be able to make payments using the payments section in your ParentMail account. We currently still accept payments by cash or cheque (payable to Shropshire Gateway Educational Trust).

I cannot emphasise enough how important it will be for your child to have their own revision guide to help with exam preparation. If there are any difficulties with purchasing these publications, please contact a member of the Science Department. If your child is eligible for pupil premium funding and you are unable to make a financial contribution at this time, please contact the School Office on 01299 270312. Information about pupil premium eligibility can be found on the Lacon Childe School website.

Yours sincerely,

PP

Mrs L. Broom
Subject Leader – Science
