29<sup>th</sup> November 2018

Dear Parents/Carers,

As part of the GCSE Design Technology course, we will be using the CPG GCSE Design Technology Revision Guide to reinforce and consolidate learning. We therefore recommend that your child obtain their own copy to assist them in their studies. We have purchased the 'Complete Revision and Practice' book that combines a revision guide with practice papers and mini tests. The guide is available to purchase through school for a discounted price of £5.50 (RRP £10.99).

I cannot emphasise enough how important it will be for your child to have their own revision guide to help with exam preparation. If there are any difficulties with purchasing the revision guide, then please contact me. If your child is eligible for pupil premium funding and you are unable to make a financial contribution at this time, please contact the School Office on 01299 270312. Information about pupil premium eligibility can be found on the Lacon Childe School website.

**On-line Payments** - This is now available to all parents/carers who have registered with ParentMail and is the preferred method of payment for all visits, trips and payments to the school. You will be able to make payments using the payments section in your ParentMail account. We currently still accept payments by cash or cheque (payable to Shropshire Gateway Educational Trust).

Yours sincerely,

Mrs R. Bird

Subject Leader – KS3 Design Technology
