### WALKING BUS

We have 5 parent volunteers for the walking bus. We still need a couple more so please consider this, it is a perfect time to start this initiative as the nights draw in and road safety becomes even more of an issue.

There was another near miss this week and we are very concerned that parking and driving is causing a lot of stress for parents and local residents.

Ultimately there may be an injury to a child or a parent and we need to ensure this does not happen.

We will need to start a Walking Bus Committee in order to organise DBS checks, order Hi Vis jackets, write risk assessments, rota, procedure of someone is ill etc. I will obviously support the committee with all of these tasks. The walking bus will go from the parish hall car park down to school. It's a great idea to reduce to improve road safety for our children.

### DOOR

The door on class 5 has been damaged by 'Storm Callum' today. We are hoping to get it repaired as soon as possible and it has been made safe.

The pupils of class 5 are all set up in the hall for the time being and we hope to keep disruption to a minimum for them all.

## REMEMBRANCE PARADE

On Saturday 10th November the Clee Hill District Royal British Legion will be commemorating the 100 year anniversary of the end of WW1 with a parade through the village, ending up at the school (see attached poster). We would like as many children as possible to attend and, if possible, wear WW1 or poppy themed clothes. The parade will finish at the school, where we will be serving refreshments. Parents will be responsible for their child throughout the day. If you are able to support, either by providing cakes, serving refreshments, setting up that day etc. can you please let Mrs Little know. Thanks you.

Cosford

A HUGE thank you to all the parents, grandparents and friends of the school who volunteered for the Cosford Trip. It was a whole school fabulous day out and wouldn't have been possible without all the additional adults.
