CLEE HILL COMMUNITY ACADEMY

## 'SUPPORT YOUR CHILD WITH MATHS' WORKSHOP

MONDAY 4<sup>TH</sup> FEBRUARY 2019 6PM-7PM

- Would you like to support your child with Maths but don't know where to start?
- Are you looking for simple, effective ideas to help them enjoy learning maths?
- Would you like to see maths in a new way yourself using everyday tasks and objects?
- The audience for this workshop is parents - rather than pupils- and will be open to all schools within the Shropshire Gateway Educational Trust. Tickets are **£5 per person** and can be purchased from Clee Hill Community Academy Office.

Hopefully you have seen the letter about this great opportunity to attend this event. Please book your tickets at the office.

## MATHS

Clee Hill hosted the other schools within the trust for a more able maths event. Pawel, Holly, Milly, Bronte, Keira and Lauren took part and really enjoyed completing some fun yet challenging activities with the other pupils. Thank you to Mr Bryant for organising it with us.

## WINNER WINNER.....

Mrs Gurney entered us into a competition for den building equipment and we were one of the winners!!!! We won £100 worth of den building equipment for forest schools. Thank-you to Mrs Gurney for entering us and to the "The Den Kit Company" for their fabulous prize that the handed over this week.

They would like to use this photo on their Facebook page. Please can you let the office know if you do NOT allow this photo to be used of your child.

Please check them out on facebook...

## CHRISTMAS CHEER

The Ludlow Food centre ran a competition before Christmas where people could nominate someone else to receive a Christmas present.

Zac nominated Archie and he won.

He was nominated for being a good friend. How lovely.

# UNIFORM

The last few months we have had huge problems with the deliveries and the customer services from School trends. Items have gone missing and we are still waiting for refunds. We heard rumours that they may go in to receivership and are now owned by another company.

It is because of these problems that we took the decision to switch to a new, local company. We are now using Bristows from Bridgnorth, their on-line ordering system is now up and running. If there are any problems please come to the office.

You can order and get items delivered home for a small cost or have them delivered to school free of charge, this will be a monthly delivery.

**[www.schooluniformfactory.co.uk](http://www.schooluniformfactory.co.uk)**

School jumper or cardigan, polo shirts, school skirts or pinafores, school trousers (not jeans and leggings) and plain socks or tights.

For PE the children need a plain white t-shirt or one with the school logo, plain black shorts and plain black tracksuit bottoms and the school hoody if required.
