Rugby Star Bryce Heem Opens the Outdoor Gym

On the 21st November 2018 Worcester Warriors winger Bryce Heem visited our school to open the new Outdoor Gym. We welcomed Bryce on a typical Clee Hill day, fog and even a little bit of snow! We told him we're tough on Clee Hill and will be using the outdoor gym in all weathers!!!!

Bryce followed the opening of the gym with an inspiring talk in assembly, he talked about the highs and lows of his rugby career which began in his native New Zealand. He then held a question and answer session where the children asked some very interesting questions. Bryce followed the question and answer session with a coaching session with Class 4 where they showed him some of their rugby skills.

Worcester Warriors press team joined Bryce and they have made a video of his afternoon with us, you will find this on the Worcester Warriors website there is also a link below.

NETBALL

We have had a great start to the Netball League the girls have been amazing with their attitude and sportsmanship during games. Clee Hill Crystals end the term at the top of the league with only two games left!!

They have shown great improvement throughout the term and the Year 4s who have joined us are showing great promise. Most importantly everyone has been enjoying participating and improving their netball skills. I look forward to seeing them continue to compete in 2019!

Up Coming Events—2019
