Yes, 19 days, the sum total of the time we have had in school since Easter. But what a busy and packed period of time it has been. Our extensive Duke of Edinburgh Award Scheme Bronze Award students have undergone basic training and will shortly embark on their practice expedition. Year 10 students, only 12 months away from their GCSE exams, have completed internal assessments. 25 x Year 10 students have been selected as Prefects, and our Year 11 students have completed 2 weeks of formal, sit down exams.

When we return on 3rd June, things don't get any less challenging with 3 further weeks of Year 11 GCSE exams, trips and visits to Arthog, Poland, Paris and Barcelona. Our Year 10 students begin to visit colleges and 6th Forms to investigate life beyond Lacon, Year 8 begin a week of assessments, Year 9 complete their DofE expeditions and our new Intake for September join us to experience life at their new school.

Life is never dull here!

Yes, in 19 days we have managed to do so much. Maybe our Government ministers should come into Lacon to see how we do things. Over 1,000 days to sort out Brexit and we are still no closer to the end....oops, sorry, apparently I am not supposed to be political, but in the words of Vikki Pollard

"am I bovered though?"

SPORT AND PE

Lacon rounders teams have had a really good start to the season. With great turn out to practices both our Year 7 teams performed exceptionally well against some strong competitors. All teams are working hard on their communication and teamwork so that they are ready to take on other schools in the district competitions after half term break.

LEVEL 1 COMPETITION—HOUSE MATCHES

Current standings:

CLEE	MORTIMER	STRETTON	WREKIN
104	108	116	112

So far this term we've seen record participation numbers in the house matches competitions. All year groups participated in mixed rounders games for their house. It was especially great to see a large number of boys represent their house in this sport.

SCHOOL SPORT PARTNERSHIP

A great start to the summer term for the School Sport Partnership and School Games! On Friday 17th May, we welcomed 16 teams from the partnership primary schools to take part in the Year 5 and 6 Rounders competition! Congratulations to teams from Cleobury Mortimer and Stottesdon Primary School for qualifying to the regional event, which will take place on the 10th of June. We wish you all the best of luck!

Charity No. 512394

Please try to support ex Lacon Childe teacher, Mrs Murrell, raise funds in aid of Severn Hospice by attending the coffee morning.

If you would like to bake a cake for the event that is another great way to support the charity event. Please send any donations of cakes to the school office on Friday 7th June.

Gold DofE Presentation

We are so pleased to announce that former student, Sophie Taylor, successfully completed her Duke of Edinburgh Gold Award and can be seen her in front of Buckingham Palace where she received her award on Wednesday.

Sophie, like so many of our students, completed her Bronze and Silver Awards whilst at Lacon Childe. She completed the volunteering aspect of the course with us in school. We are proud of her achievements.

Equestrian

Congratulations to Phoebe Godwin from 8CR who competed in her first official British dressage competition on 5th May at Stourport Riding Centre. Phoebe competed on her horse Rosie, scoring a very impressive 64.34%, achieving first place overall. The comments from the judges were that "There was a good relationship between rider and horse, with a really active pleasing trot".

Good luck to our 70cm and 1m teams who will be competing at the National Eventers Challenge Finals at Hickstead during the Bank Holiday Weekend. Go Lacon!
