Headline

I hope you all had a nice break over half term and got busy preparing for your first project of the year. I am looking forward to seeing the children's home learning in week 4, when they will present to classmates.

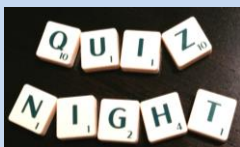

I'm delighted to report that **School Council** is already up and running and making improvements. For example, they have asked Paul for a new handrail down to the Year 1 classroom as it wasn't at the right height and Paul has already carried out the work. Well done everyone!

The children's behaviour has been super this week, with Year 5 and 6 setting an excellent example to the younger children in assembly and around the school. Year 1 and 2 creep so quietly past my office that sometimes I don't even notice they are there! Respecting each other's learning environment is very important, so I appreciate how well they help me use my Captain Concentrate powers.

Learning Conferences

We look forward to seeing all parents on Thursday the 9th next week at our Parent-Teacher-Child learning conferences. This year we will include all children in their meetings unless you let us know in advance that you would prefer them not to attend or don't bring them to after school appointments. We strongly recommend including your child as a discussion of their learning will be much more effective if they are present. If you do wish to spend a short time meeting privately with the teacher, let them know in advance and they will send the child back to class / the BB Hall a few minutes early.

PSA Christmas Quiz Night

We are making Quiz Night a termly affair, kicking off with a Christmas Themed Quiz for the festive season. (Adults only) Please join us in the White Hall, 7p.m on Wednesday 22nd November. Each team member pays £5 entry which goes towards PSA funds.

As usual there will be delicious food from Anita and drinks available from the bar, although you are also welcome to bring your own. Contact your class rep or teacher to organise a team or join one on the night!
