Welcome to our first school newsletter for this term. Following our successful Superhero themed lunch yesterday, I would like to say a huge thank you to our wonderful kitchen staff who prepared and served over 500 lunches for children and staff. Thomas and Lewis from Lancashire 4 carried out a survey across the school about our Superhero themed lunch day, with quotes below from each year group.

Sports Coaching

Gymnastics and hockey coaching have started this term for children in Year 2 and Year 5 in addition to cricket for Year 3. Further reports to follow.

Cricket Coaching

In Year 3 we have been working with a Kent county cricket coach. We have been learning how to pass the ball by throwing, rolling and bouncing, and we have enjoyed lots of team games to practise our skills. We practised catching in pairs and we had to see how many times we could do each catching skill

Isla, N3

We had a coach who taught us different techniques to pass the ball. We used our skills to take part in a competition and see how many runs we could get while the other team were throwing the ball! –
