Thank you, your help would be greatly appreciated.

PE Health and Safety Update

Speaking to numerous Parents on parent's evening, we have reviewed our school procedures. It is our school's policy that no jewellery is worn during any PE lessons. This includes watches, rings, earrings, bracelets, wristbands and necklaces, unless for religious beliefs.

The children must be able to remove their own jewellery and be responsible for it during school time.

It is recommended that recent piercings are not removed for 6 weeks due to risk of infections. Should this be the case, it is at the parent's discretion that earrings are covered with plasters and tape (the school will not provide these or assist with the removing of any piercings) - for a maximum of 6 weeks. The school will not be held responsible for any complications arising from children wearing piercing during PE lessons. After the 6 weeks it is then expected that the earrings will be removed.

Facebook

It has been brought to my attention that there is a Southfield Facebook page. This is not being run by any member of the school and therefore the school cannot take any responsibility for anything that is misleading or incorrect.

Still Needed - 2L Plastic Bottles

Thank you so much for the bottles that have already come in, we now have 450 bottles. Only 1050 to go!

Diary Dates

Friday 6th December Christmas Fayre
Wednesday 11th and Thursday 12th December
