Celebrations: STEAM trip to learn outside of the classroom and gain so much knowledge from the interesting workshops in the museum. The children and the adults attending had a great day and the exemplary behaviour shown and the respect given by the students was outstanding. We're all really proud of our biographies and have written them in best using ICT. Some of us have been working really hard with our handwriting to earn a fountain pen.

Lost Property

We have an awful lot of lost property which is not named. All lost property will now be displayed on the playground every Friday after school. Please feel to take anything you need from the ever increasing pile.

Unfortunately, I do not have the storage to keep this amount of clothing.

Lateness

As little as 15 minutes late every day is equal to two weeks of lost learning per academic year.

As a school our overall attendance is good, however lateness has been increasing.

Children need to be in school for registration by 8.50am. This will be closely monitored and letters will be issued by the school for persistent lateness.

If lateness does not improve then the Educational Welfare Officer will be informed.

Maths Workshop - Fractions Part 2

We will be holding part 2 of the fraction workshop on Wednesday 15th March at 9.30am, 1.30pm and 6pm. Covering ordering, adding, subtracting, multiplying and dividing fractions. Sign up letter to follow after half term.

Comic Relief

Friday 24th March

We are very proud to be a Comic Relief Ambassador school. This year we will be carrying out a fortnight of activities aiming for a massive total of £5000.

We will start straight after half term selling red noses on the playground before and after school.

More information and sponsor forms will follow on the 20th February.

Our Vision

We promote high levels of motivation, enthusiasm and excitement in learning

To 'Strive for the Best' we need to be ACE (Aspire, Celebrate, Endeavour)

We will achieve this by:

- Developing a rich and broad curriculum
- Encouraging independence
- Fully involving parents
- Everyone (children and adults) having pride in their work
- Engaging with the community
