

# SCHOOL COUNCIL NEWS

6<sup>th</sup> October 2016

## Actions:

Discuss in Class Council how to distribute/ share the School Council budget. Write a list of what we should spend the money on. Who will it benefit? (Whole school, class, year group or phase?) Include FS and Y1.  
5Newton to write to Uplands kitchen about puddings.  
5Da Vinci to write to Mr Thorpe about a 'catch strip' under the gate.

## Good things:

5FAB Club are managing the equipment cupboard well. They need to keep to the timetable. New equipment is ready to go out at break times for Y3/4. 'Quintessentially British' whole school performance went really well especially all those children across the school who are new. Nearly every year group has had someone new this term and they are all settling in well. Y6 Bikeability was good fun – there are now 28 safe bikers in Y6 – well done!

## Sad things:

Y5 are going to discuss how to manage games like hockey, basketball and cricket so that everyone has fun.

## Date of next meeting:

3<sup>rd</sup> November 2016

Chair: Fatima

## Other information:

All Class Councillors have a badge for their lanyard.  
All classes have a name card for council meetings.  
5Newton are going to interview the new arrivals in their classes to see how they feel about our school.

**Absent:** no absences

**Chairman:** Fatima,

### 1. Matters arising from last minutes:

5Newton reported that FAB club are managing the cupboard and reminded FAB Club that they need to follow the FAB Club timetable.

Mrs Cooper ordered more badges and the Y6's handed them out.

Name cards were handed in from all three classes in order to laminate them

### 2. Successes to report:

4 Armstrong reported that the new break equipment is ready to go out in Y3/4 playground

Year 5 reported that the Quintessentially British performance went really well this morning especially all the new people to our school who joined brilliantly.

Year 2 Starfish have had new arrivals (Mila and Claudia) who are settling in well.

2Sharks have been praised for brilliant behaviour moving around school.

2Sharks have been enjoying taking their meercat home for the weekend.

2Sharks have learnt to use the Internet Safely.

Y6 have done some good equipment sharing.

Y6 Bikeability: everyone passed Level 1 and most of them passed Level 2 – 28 safe bikers in Y6!

### 3: issues:

The children need a new Quasar rota for Y3/4 and new parachute rota

Year 5 are going to look into how to resolve the issue of careless play in basketball and hockey so that everyone has fun.

5 Newton are going to write a letter to Uplands Kitchen to ask about how to improve the variety of puddings at lunchtime.

5 Newton are going to interview all the new children in their class to see how they feel that they are settling in.

5 Da Vinci are going to ask Mr Thorpe for a 'catch strip' under the gate to stop balls rolling through.

### 3. Anything else:

An action for Class Council – please discuss what we can spend our School Council Budget on e.g. outdoor play equipment or something that benefits the whole school. How should the money to be shared? Remember to include Y1 and FS.

4. Date of next meeting: 1pm on 3<sup>rd</sup> November 2016

5. The next Y6 chairman will be: Medina
