

# SCHOOL COUNCIL NEWS

17<sup>th</sup> April 2015

## Good things:

Y5 have started planting the herbs in their greenhouse. They have a weeding and watering rota.  
Y4 did an excellent assembly about Easter.  
Y3 had an interesting visit from some canal people from Foxton Locks. Y3 are going to Foxton later in May.

## Actions:

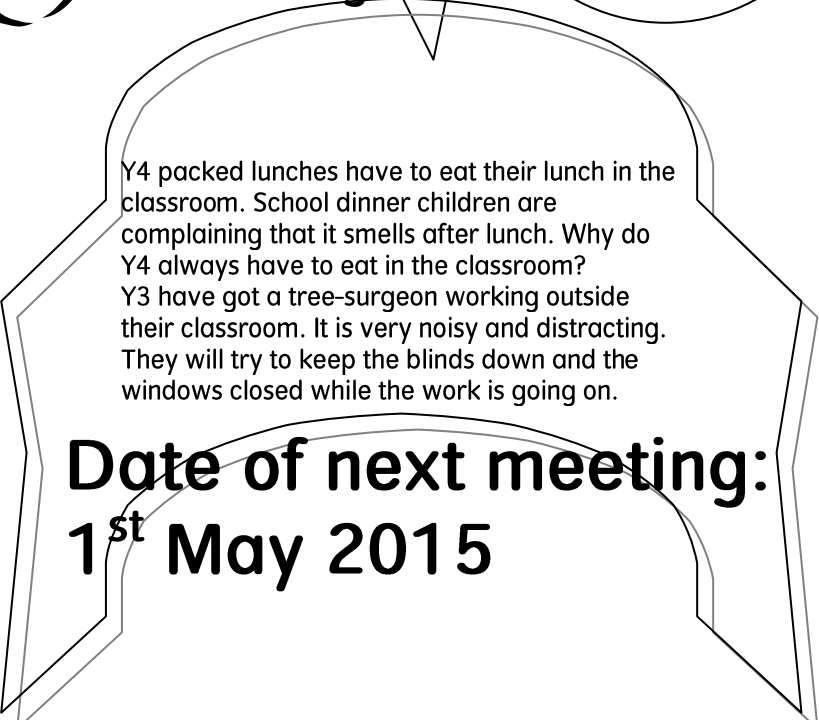

Design a Wildlife garden for the Ark Theatre garden space (any medium): entries to Miss Burns' office by Monday 27<sup>th</sup> April.

What can we do to help Y4 with their packed lunch issue?

## Sad things:

Y4 packed lunches have to eat their lunch in the classroom. School dinner children are complaining that it smells after lunch. Why do Y4 always have to eat in the classroom?  
Y3 have got a tree-surgeon working outside their classroom. It is very noisy and distracting. They will try to keep the blinds down and the windows closed while the work is going on.

**Date of next meeting:**  
**1<sup>st</sup> May 2015**

**Chair: Nuwaal**  
**Other information:**

Y2 have discussed the idea of having an allotment and growing some vegetables. They have got onions, beans and peas in the small garden near the pond. As well as strawberries, raspberry canes, black and red currants.  
Y4 have some FAB and break issues to discuss next time.

5. Leicestershire and Rutland Wildlife Trust are running a 'My Wildlife Adventure' Competition: all city Primary Schools need to submit a design for a wood or wildlife area in the grounds. The best three schools will have their ideas turned into reality. We are going to submit a design for the Ark Theatre garden: the ideas can be drawn on paper; built as a 3-D model or in computer-aided design (like our Art programmes or as a powerpoint, film or animation). We can only enter one design/ school. If we win, the LRWT will build the winning design in the Ark Theatre garden; spending up to £3, 500 on it. Unfortunately, the deadline for entries is Monday 27<sup>th</sup> April 2015. Please leave any contributions in Miss Burns' office.
