

SCHOOL COUNCIL NEWS

17th October 2014

Good things:

Y4 went to New Walk to learn about Ancient Egypt and Y6 went to Newark Houses Museum to learn about World War. Y5 enjoyed the planetarium at The National Space Centre. Y3 went to Leicester Cathedral and delivered our harvest donation to Open Hands. We enjoyed Y1's Diwali assembly, especially when the evil king dropped down dead.

Actions:

4Hubble to survey Y3/4 about the lunchtime arrangements: what's good? what's bad? Y6 to investigate the cost of a water bottle vending machine. Named Councillors to research the cost of the School Budget items.

Sad things:

Unfortunately, the school server and the internet have had problems over the last week.

Y6 are not happy about the school dinner food e.g. they had hard, yellow potatoes.

**Date of next meeting:
Friday 31st October 2014**

Chair: Nuwaal

Other information:

We have found the cost of several items on our School Budget wish list and are working on the rest.

Y6 will send their letter to Mrs Thorpe when they can print it out.

Minutes of meeting 3rd October 2014

Class Councillors present: Anab, Fatima, Halima, Humayarah, Cuthbert, Sileena, Abdus, Mohammed, Aneesah, Ozain, Azka, Humayraa, Bhargav, Tadisa, Mariam Farah, Yahya, Alissiya, Husayn, Khianna

Absent:

Chairman: Nuwaal

- 4Hubble have still to complete their survey of Y3/ 4 classes: how many people like the new dinner arrangements? what is good about the new dinner arrangements?; what is not so good?
- Unfortunately, the internet has been very poor this last week and so many classes were unable to access the information. They will try again after half-term.

5Galileo found that the mini greenhouse would cost £9.98 (they have a site address) and Frisbees costs 76p on EverythingBranded.

4Hubble found that a helter-skelter is not available but a cricket pitch costs £180 and a table tennis table is £299 from SportsDirect

5Newton found a round 4-person see-saw costs £59.99 on Amazon

4Armstrong found a swing on e-bay for £48.90 and space hoppers are £3.99

- Y6 have written their letter to Mrs Thorpe about the bike racks; they will print it when the server is working again.
- Y6 have still to check on how much a water bottle vending machine would cost to run.

4. Any other business:

- Any classes who have success to report

Y6 went to Newarke Houses Museum to learn about WW1 and 2

Y4 New Walk Museum and did activities about Ancient Egypt

Y5 learnt about our solar system for their Science topic on Earth and Beyond

They went into the planetarium at the National Space Centre

Y3 went to the Leicester Cathedral for their harvest work and saw fruit near the golden eagle lectern. Some Y3's delivered our harvest contribution to Open Hands.

We enjoyed the Y1 Diwali assembly; it was funny when the evil king died.

- 6Aristotle want better quality school dinner food (e.g. yellow and hard potatoes).

5. Date of next meeting: Friday October 31st (because November is very busy!); 1pm in Mr Story's classroom in Gopsall

6. The next chairman will be Anab
