Year 7 Residential to Fan Wood September 2019

Dear Parent/Carer

Following a consultation with a number of parents/carers who have advised us that they would prefer more time to save for the Fan Wood trip we have taken the decision to postpone this trip until the Spring Term.

The trip will now take place week commencing **Monday 27th April 2020**. We hope this decision will give more parents/carers the opportunity to plan financially and result in more of our Year 7 students taking part in this valuable experience.

I am conscious that this will be a disappointment to those Year 7 students and their parents/carers who were expecting this trip to take place this month and who have already planned for them to attend.

If you have already paid in full you need take no further action. Parents/carers who have partially paid can continue to make payments on Parenpay. However, if you would prefer a refund on any payments already made please contact to school office on 01924 405451 or e-mail office.spenny@kirkleeseducation.uk

Yours Sincerely

Leon Fox Rice

Assistant Headteacher
