Art and Design – developing ideas

Art and Design – developing ideas

Art and Design – developing ideas

Art and Design – developing ideas

Art and Design Option

- Students are required to actively engage in the creative process of art, craft and design in order to develop as effective and independent learners, and as critical and reflective thinkers with enquiring minds.

Art and Design Option

- **How will I be assessed?**
- GCSE art and design is made up of two units
- **Personal Portfolio** – internally set and marked; assessed through controlled assessment.
- **Externally set assignment** – externally set and internally marked.

Art and Design Option

- **How will I be assessed?**
- Both units are marked using four assessment objectives
 1. develop
 2. experiment/refine
 3. record
 4. present
- Both units are marked separately out of 72

Art and Design Option

- **Personal Portfolio**
- internally set and marked; assessed through controlled assessment.
- This part of the assessment is worth 60% of the final mark, during the end of course display.

Art and Design Option

- **Externally set assignment**
- externally set and internally marked.
- This part of the assessment is worth 40% of the final mark, during the end of course display.
- All final marks are moderated to ensure fairness and standardisation.
