

St Francis Catholic Primary School
ACCESSIBILITY PLAN

The school had an extension completed in 2000 that took account accessibility needs following that an accessibility audit was carried out and a disabled ramp was installed for Key Stage 2 entrance.

This plan should be considered in conjunction with the School Equality Plan that outlines how the school is developing equality of access to the curriculum for all its pupils.

Targets	Budget	Proposed Actions	Target date for completion	Success criteria
To continually audit and plan reasonable adjustments to meet the needs of any pupils , staff and families with disabilities	As required and where possible	Audit new entrants each year using a DDA questionnaire to assess any DDA requirements New employees and volunteers to be given a questionnaire to complete as part of their induction pack	Ongoing	Reasonable adjustments in place so that all members of the school community are included and have equal access to the building, information and the curriculum.
