The Diocese of Portsmouth
Parish Boundaries
2018
PHILIP

By the Grace of God and the favour of the Holy See
Bishop of Portsmouth

On the 16th day of July 2016, a document was issued confirming the boundaries of all parishes in the Diocese of Portsmouth.

Due to grave reason, namely that there was an unintended amendment to the Parish Boundary of St Bede’s Basingstoke, therefore there has now been a change to the boundaries set out in the 2016 Document.

This change is as follows:
In the written description, the line beginning ‘North by A339 ringway system’ has been changed to ‘West and North by A30/A339 ringway system’.

Therefore, I, the undersigned Bishop of Portsmouth, in virtue of my pastoral office, confirm that the boundaries of all the parishes in the Diocese of Portsmouth are set out in the attached document.

Given at Portsmouth on the 23rd day of April 2018, the Solemnity of St George.
This document describes the boundaries of each parish in the Diocese of Portsmouth in 2018. The parishes are listed in alphabetical order by Deanery (numerical order) and Pastoral Area (alphabetical order). Each description is followed by a screen shot from the version of Googlemaps onto which the boundaries were marked in 2015 and 2018. In the event of any discrepancy between the narrative and the screen shot (or Googlemaps original), this narrative takes precedence.
