

## **PE Curriculum**

Sport and PE form an integral part of school life at St. Francis. We are part of the Blackwater School Sports Partnership and regularly take part in competitions against other local primary schools in a variety of sports. All children participate in a minimum of 2 hours PE each week within school time and many children regularly take part in before/after school clubs. These include: football, rugby, dance, gymnastics, netball, cross country and judo.
