

St Swithun's CE Primary School

Our Vision

INSPIRING LEARNING, NURTURING ASPIRATION

A church school at the heart of the community, where our children grow as confident, enthusiastic learners and reach their highest possible level of achievement.

An environment underpinned by Christian values that enables every child to shape their own future, developing strong foundations for life.

Working together to support our children so that they are ambitious, embrace challenge, are resilient and believe in themselves.
