Happy 2020!! A new decade, a new year, a new start. Time for new challenges. There will be plenty I ’m sure. Remember we are here to support you and your children, not only with their learning, but with concerns you have about school or home. If we don’t have the solution, we can point you in the right direction and help you find it. Mrs Gadsby, Mr Brown and Ela Sawicka are nearly always available and will get back to you in the rare occasions they are not. You can make appointments with class teachers, either through the office or by speaking to them at the beginning or end of the day.

See how Stokes Wood compare with other schools nationally.

- Top 10% in reading for progress
- Top 5% in writing and maths for progress
- Above national for attainment at KS2 in Reading, Writing and Maths combined
- Improvement over 3 years
