Please note that full trip payment refunds are not guaranteed in the event of a student being unable to attend a trip. Whilst appropriate efforts will be made to replace a student who withdraws from a school trip, this may not prove possible. Even where it is possible, the school will have incurred a large range of expenses connected with the arrangements. Such penalties will increase as we get closer to the departure date, and it is for this reason that a full refund will not be made. Withdrawals at short notice are likely to result in full payment being due.

We reserve the right to withdraw a student from the trip if we believe their behaviour would have a detrimental effect on the rest of the party, or that their own safety and welfare may be at risk. We would endeavour to find a replacement student and then all monies may be refunded. If, however, we were unable to find a replacement, the initial payment and any cancellation charges would not be refunded.

If you have any other questions, please do not hesitate to contact me.

Yours faithfully

Mr P Turrell
