Dear Parent / Carer

Year 11 Music Support Sessions

I am writing to inform you of the additional support sessions on offer to Year 11 Music students. Thursday lunchtime and afterschool is dedicated to Year 11 for support or just time in the department to develop their work. They will be expected to attend at least once a week in order to ensure their coursework is completed to a high enough standard; a register will be taken of attendance and contact will be made with you should they fail to attend. The Year 11 Progress Leader will also be informed so failure to attend and show significant effort could significantly impact on attendance at Prom or privileges offered throughout the year.

The final deadline for coursework (one solo performance, one ensemble performance, a 'free' composition and a composition to fit a given brief) is the Easter holiday however deadlines will be set throughout the year to ensure there is time to develop work if needed and to avoid the last minute rush; **at least one composition and their solo performance must be completed and recorded by Christmas at the very latest.** Additional time must be spent in the department until these are completed to the best standard possible.

Please complete the slip to confirm you have received the letter, that you consent for your child to attend weekly and that you will support the department in ensuring they make every effort to complete coursework outside of lesson time.

If you have any further queries please do not hesitate to contact me.

Yours faithfully

Miss H Connan
Music Teacher

Please complete the slip overleaf ↪
