

# Year 11 PE Curriculum

Spring Term 2018-19

Curriculum Content	Assessment	What homework will they have?	I'm not an expert, so how can I help?
<p><b>What will my child be studying this term?</b> <u>GCSE</u> Preparation for the summer exam series, finalising the practical grades and completing the coursework.</p> <p><b>Content covered:</b> <u>Theory GCSE</u> This term students will re-visit information relating to all of the PE specification, using revision techniques to support the students preparation for the two exam papers. Information from the PPE's will inform the specific areas that the teaching staff focus upon. We will also be running revision sessions to support this preparation.</p> <p><u>Practical GCSE</u> During the spring term students will complete a range of practical activities and ensure we are able to confirm the final grades of the students to support the written aspects of this GCSE</p>	<p><u>GCSE</u> Students will complete end of unit tests from real GCSE questions under exam conditions approximately every 6 weeks. The PPE series will also be used to inform progress and attainment. There are two final exams in the summer.</p>	<p>Homework is set on a weekly basis. Students are expected to record this information in their planners and use supporting information to assist them with the homework. Students should be working towards their homework for approximately an hour.</p> <p>Staff in the department will use Bromcom to set and monitor homework.</p>	<p>Students are actively encouraged to read around the subject to develop their understanding and knowledge. Regular use of the internet for news articles relating to healthy and actively lifestyles enables students to draw from a wider range of activities during exam papers and assignments. Watching sporting events, especially with a focus of the analysis of performance gives students a clearer understanding of why analysis is used to improve performance.</p>
<p><b>Literacy and numeracy:</b> For the written paper GCSE paper it is essential that students ensure that their spelling, punctuation and grammar are correct. It is essential that all answers are in sentences rather than a bullet point method.</p>			
<p><b>What can I do to help my child?</b> Ask students to talk about their PE lessons, ask them to explain the key points. Give them support for homework, including a good place to sit and work, and emphasise the fact that through effort and practice everyone can improve at PE. Make sure that students have all of the equipment required for their work.</p>			
<p><b>Additional resources and details of core texts used:</b> Learning Resource Centre, Revision Books, PE related information sites (GCSE Bitesize, Brian Mac, Teach PE)</p>			
<p><b>Where can I get more advice?</b> Mr G Wnuk (Acting PE Curriculum Leader) – <a href="mailto:gwnuk@stratfordschool.co.uk">gwnuk@stratfordschool.co.uk</a>. Please include the name of your child's teacher so the message can be forwarded appropriately.</p>
