

Curriculum Content	Assessment	What homework will they have?	I'm not an expert, so how can I help?
<p>What will my child be studying this term?</p> <ul style="list-style-type: none"> • How do I know which software to use? • What are the differences in the software? • What is the difference between the Internet and the Web? • How do I source valid information from the internet? <p>Content covered:</p> <ul style="list-style-type: none"> • Word Vs Notepad • When to use Publisher? • How to source information? • How to check the validity of information on the web? 	<p>Assessments will be given out on</p> <p>W/b 18th March 2018</p>	<p>Homework will be set once in the term</p> <p>The feedback for the homework will be given and pupil will be expected to correct their errors.</p>	<p>Extended learning tasks will consist of taking the learning that the pupil has done and using additional features of the software. This will be provided by the teacher</p>
<p>Literacy and numeracy: Pupil's literacy skills will be tested in their written work. They will be expected to write compare different software and explain the advantages and disadvantages.</p>			
<p>What can I do to help my child?</p>			
<p>Additional resources and details of core texts used: There is no core book to accompany these topics though associated materials can be found on the internet</p>			
<p>Teaching group arrangements: Teaching groups come to ICT based on their Maths groupings.</p>			
<p>Where can I get more advice? Mr Qureshi Curriculum Leader aqureshi@stratfordschool.co.uk Please include the name of your child's teacher so the message can be forwarded appropriately.</p>
