GIANT MATHS LESSONS!

For ALL parents of children in Years 1, 2, 3, 4, 5 & 6

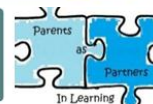

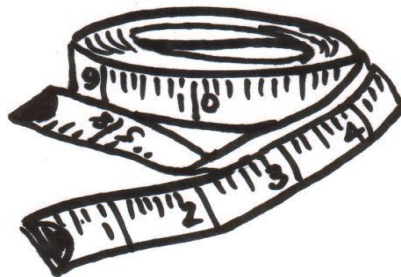

Introduction **THIS FRIDAY** in the Hall at 9am

January
 Friday 8th
 Monday 11th
 Tuesday 12th
 Wednesday 13th
 Thursday 14th
 Monday 18th

Parents
 Years 1 2 3 4 5 and 6
 Year 1
 Year 2
 Year 4
 Year 5
 Year 3

This will be a great opportunity for you and your child to work together on the Maths Scrapbook Activities, which is a project provided by the Mayor's Fund for London, and to see examples of completed activities.

5th January 2016

Dear Parent/Carer,

I would like to invite you to attend a meeting on Friday that is being led by Peter Warwick, the Maths Advisor for Enfield. He will be showing parents how to support their children with depth of understanding in Maths.

Following Friday's meeting, when you attend your child's relevant lesson(as shown overleaf) the workshop will be very informal and parents will not need any particular skill as the activity will be set out and explained by the class teacher. Children gain most when they have an adult supporting them with their homework so, for the workshop, it is very important that every child has an adult with them; it can be any family member such as Aunt, Uncle, Gran or Grandad. It means that someone in the family has had firsthand experience of the strategies we use which will support your child at home when they come to do their math's work at home.

Each lesson will start at **9.00am in the hall and finish by 10.00am.**

I am sure you will agree how important it is that we all work together to support the children and we will be sending their scrap books home every week so that you can support your child with his or her homework.

I very much look forward to seeing you at the meeting on Friday.

Yours sincerely

Ann Richards
Maths Coordinator

Please tick the sessions that you will be attending so that we can provide enough resources for everyone.
