

Reading at Sunnyfields

Last year, we had a team of parents who very kindly gave their time to come into school to help with reading. Some worked with groups whilst others worked with individual children. As it helped the children so much, we would like to continue the extra support for children with their reading.

We would be very grateful if we could try to have the same level of support this year.

Please let me know if you would be happy to give some time to come into school during the day to work with a small group of children (8:45 – 9:15 am).

Training will be offered.

With many thanks for your support.
