Dear Parents,

Annual Reports

Today your children have brought home their annual reports. I hope that you will all be able to sit and read and discuss them together and that you will all find them interesting, informative and useful.

Please do send back your receipt and comment to the school office as your feedback is very important to us.

Saying Goodbye and Good Luck

As you know, Mrs Milner and Mrs Gordon are retiring and they would like to thank you all for your very generous gifts and best wishes. You all made last Friday a wonderful day to remember!

Sadly we are saying goodbye to Mrs Limbrick this week. In September she will be going to teach in a school much closer to her home. Mrs Limbrick has been with us for thirteen years and we would like to thank her warmly for all of her hard work and dedication. This year, as well as teaching Reception Class and bringing up her young family, she has guided the school to Silver status for the Science Quality Mark, which is an exceptional achievement. I am sure that you will all want join me in wishing Mrs Limbrick all the very in her new position.

Miss Capper joined Sunnyfields 18 months ago and has been a highly valued member of the Reception Class team. She has worked tirelessly to support the teaching staff and children alike and we will all be very sad to say farewell. We wish her happiness and great success in her new journey and hope that she will keep in touch.

Welcoming New Staff

In September you will see our new caretaker, Mr Boyce, working around the school. Some of your children have already met him and we are all looking forward to welcoming him to our team.

When we return to school Reception Class will be have a new teacher, Miss O'Donnell, who some of you may have met previously at Sunnyfields. She will meet all the children and their parents tomorrow morning and is very excited to be joining us.

This Week at Sunnyfields

We have a very busy last week of the school year, so here are a few reminders:
