Newsletter 3

Dear Parents and Carers,

A big thank you to everyone for supporting us with our new beginning of the school day arrangements. The office area is now much calmer in the morning allowing Mrs Barber and Mrs Fox to work relatively uninterrupted. I can also report that pupils are now walking through the reception outside area at the beginning and end of the day without swinging on the very attractive new apparatus!

Please find attached the dates for this school year. In addition I would like to draw your attention to the following events and dates:

Harvest

Ms Meyer and Mrs Gordon will accompany the choir to the Meritage Centre where they will sing a selection of harvest songs to the residents. All donations of tea, coffee, biscuits and cakes will be much appreciated. Please send these via your child's class teacher by Wednesday 24th October.

Parent teacher consultations and the home school agreement

Consultations take place for years 1-6 on 24th October between 4.45pm and 5.30pm and 25th October between 6pm and 8.30pm and are an opportunity for you to discuss your child's progress with their teacher. There is an expectation that your child will also attend the consultation, which lasts for 10 minutes.

Please sign and return the slip to the class teacher with your time preference circled. We will try to arrange times to suit everyone, although unfortunately this is not always possible. If you have concerns or queries about your allocated time please see your child's teacher. At this consultation we will ask you to complete a home school agreement. This is an agreement between the pupil, parents and the school to work in partnership to ensure the best possible outcomes for the children and it sets out our expectations for the coming year.

Spotlight on reading.

Reading is one of our priorities this year and we have lots of exciting activities planned so please look out for a newsletter from Ms Meyer.

Best wishes

A handwritten signature in black ink, appearing to read "Mrs Rees".
