Dear Parents and Carers,

Fantastic News!....UNICEF Rights Respecting School Award

Yesterday we had our assessment for Level 1 of this award. Well done to all the children and staff for all their hard work and particularly to Ms Meyer for coordinating this. Our assessor was extremely impressed with the children and adults at Sunnyfields. She commented on the enthusiasm, commitment and the respect that everyone shows for one another. She found people to be passionate and articulate and said that the work presented by the children was stunning! Everyone is very proud of this achievement and looking forward to achieving the next level.

Sports Days

It was a pleasure to see so many of you at our Sports Day events this week. We were very lucky with the weather and we saw some very determined competition, not just from the children, but their parents as well!

Sunnyfields 80th Birthday on Thursday 17th July

We would like children to come to school dressed in clothes from the past. More information will follow in a leaflet.

We would like to invite you all to our special celebrations next week. Please take a seat in the hall at 1.00pm in time for our singing concert. After the performance (approximately 2 o'clock) everyone will picnic in the infant playground. Please do bring a little picnic for you and your child/ children and maybe a blanket to sit on. We ask that those parents who cannot attend send their child/ children to school in morning with their own little picnic.

We should finish at approximately 3.00pm and parents will be welcome their children home as long as they notify the class teacher.

Food Hygiene Rating

I am delighted to announce that we have been rated as very good for our food hygiene by Barnet LA. Congratulations to Jenny the cook and her team for their hard work and high standards.

Annual Reports

Next Friday you will receive your child's report. Please complete the slip when you have read it and return to the school office before the end of term.

Aran Byrne School Counsellor

Aran is leaving us today to move back to Ireland. We will miss him as will many families that he has worked with. I would like to take this opportunity to thank him for all that he has done during his 2 years at Sunnyfields and wish him every success in the future. In September we will have a new counsellor, Ms Zalihe Mustafa.

Extension of Years 3 and 4 Classrooms

During the summer break we are having some building work to extend the above classrooms. I hope you agree that this will enhance the learning environment for these 2 year groups.

Football Tournament

Sunnyfields held their first friendly against St Joseph's on Wednesday after school. Well done to all those who took part and who supported us. The game was very evenly played and ended in a 0-0 draw. Each school will hold the trophy for 6 months.

If your child will be continuing at Breakfast Club, please let the school office know as soon as possible. Next term payments will be made for breakfast club through ParentPay. The meals will cost 95p and parents will see them on their child's account.
