Dear Parents and Carers,

Sunnyfields 80th Birthday Celebration

It was wonderful that so many of you could join us for our very special celebration. Everyone took our themes of decades to heart and we saw some stunning outfits!

The day started with a visit from Blue Peter gardener, Chris Collins, who spoke to the children in assembly and then officially opened our beautiful new pond area. Chris was very impressed with our grounds and in particular how environmentally friendly we are here at Sunnyfields.

The children entertained everyone after lunch with a selection of popular songs chosen from the last 80 years, and their singing and musical accompaniment was second to none. It made many feel quite nostalgic!

After the concert the whole school enjoyed a picnic during which we planted a time capsule (ask your children about the contents!). Everyone sang 'Happy Birthday' accompanied by the Sunnyfields brass players and then cut a collection of the most scrumptious birthday cakes! To round off the celebration children released nine purple balloons to represent each of past decades and the one to come.

Present at our celebrations on Thursday was Mrs Sheila Pearce. Shelia started at Sunnyfields in the 1940's at the age of 5 years! She went on to be a teacher here at Sunnyfields and she spoke to children about life in the school 70 years ago!

I would like to thank everyone who contributed to making our celebration so very special and I would like particularly to thank Lisa Meyer for overseeing the organisation of a very memorable day.

Keep an eye out for the Hendon Times next week as their photographer took some great photos to be published in the newspaper.

This week we presented long term Achievement Awards as follows:
