Dear Parent / Guardian,

Sunnyfields Primary aims to be a school where the well being of each and every child is at the heart of everything we do. As part of our aim to ensure all children are happy and **successful, we are working towards recognition as a "Rights Respecting School". This is an award which is given to schools on behalf of UNICEF.**

UNICEF **is the world's leading organisation working for children and their rights.** In 1989, governments worldwide promised all children the same rights by adopting the UN Convention on the Rights of the Child (CRC). These rights are based on what a child needs to grow and flourish.

The 'Rights Respecting School' award (RRSA) will help our pupils to grow into confident, caring pupils in school and responsible future citizens of the world.

As part of our work to gain RRSA, we will be holding a special 'Day for Change' on 23rd May. We will be holding a special assembly at 8:55am where children will be unveiling their work. We will also be fundraising for an orphanage in Ghana so that our children learn how to help others enjoy their rights.

We really hope that you will be able to support us and your child in working towards our **goal of being a 'Rights Respecting School'. We'd love for you to become involved.**

If you would like more information about the work of UNICEF or more information about Rights Respecting School Award then please visit:

Your child will bring home more information about the assembly next week so look out for your invite!
