Summer Term

7 June 2013

Dear Parents and Carers,

Welcome back to Sunnyfields for the last half term of the school year. This will be a very busy and exciting time for all children, staff, parents, friends and governors.

Before I give you details of the coming weeks I am afraid that I must give you the sad news that Miss Penn will be leaving us at the end of term. I am sure that you would all like to join me in wishing her the very best in the future.

Preparation for the Summer Fair is in full flow and I would like to thank all those FOSA members who are working so hard to get everything ready. Please do volunteer your help, even if only for a short amount of time, in order to help spread the load.

Your donations are greatly appreciated and I would remind you that there is a Summer Fair meeting on Monday 10th June 3.40 in the staff room. Please do come along if you can; you can collect your child/children from class and leave them in the hall whilst you attend the meeting.

On Friday 12th July we shall be holding our International Day and all families will be invited to join us for an afternoon of music, picnicking and fun. Ms Meyer will be updating you on the preparations for the afternoon.

There are several class trips arranged for this half term so please do be sure to check your child's bag every day for information.

Year 5 parents are reminded that we have a very important meeting on 20th June at 5.30pm regarding transfer to secondary school. Please do be sure to attend with your child and also continue to make your payments for the September PGL trip.

Also on 20th June we shall be sending a large group of junior children to take part in the Barnet South/West Athletics Championships at Allianz Park. We may need to ask parents to help with transporting the children to and from the venue, so please do look out for our appeals!

Lastly, I would like to thank those parents who have heeded the letter sent from the Metropolitan Police regarding stopping or parking on the Greyhound Hill zig-zag lines. However, there are some parents who appear to have ignored the directives and this will continue to put the safety of our children at risk. PLEASE do not stop or park on the zig-zag lines.

Best wishes and thanks for your continuing support,

Clare Rees
Headteacher
