### Year 1 Assembly

We were amazed at all the exciting work that year 1 had done this term; composing music with percussion instruments, using Pinocchio as a focus for their writing, computer programming and planting beautiful mini gardens.

### Year 2 Assembly

We all enjoyed a wonderful assembly this morning about the Great Fire of London. The children gave us lots of information and they sang beautifully both as a class and when the whole school joined them.

### Parents as Partners in Learning - Nursery, Reception and Year 1 Parents

It was good to see so many parents on Wednesday. I am sure that everyone will gain a great deal from this course. You can check the resources on our website Parent page.

### District Sports

On Wednesday a large group of Junior children spent the day at Allianz Park competing in the Barnet West Region Primary School Athletics Association District Sports Day. They took part in many events including high jump, javelin, relay and sprinting. A very enjoyable day was had by everyone and I would like to thank all those of you who arranged travel to and from the event.

### New School Uniform Update

Next week we will send you letter specifically about the new school uniform.

### Class R at the Launderette!

Reception Class went on a walk to the launderette this week. They have been reading the book 'Knuffle Bunny' and they went along and learned all about how all the machines worked and imagined the plight of Knuffle Bunny!

Yours sincerely,

Mrs Rees

### What a Fantastic Achievement!.....

On Tuesday 9th June Daylan, Ariana and Cat-Tien went to City Hall to take part in the Mayor of London's Count on us Challenge Final. 97 schools had competed in the competition and 13 schools were in to the final. The team had to tackle challenges set with shape puzzles using tangrams and pentominoes, code breaking and the card game 24 where they had to solve puzzles with 4 numbers which must be combined to make 24. The competition was fierce and the team did fantastically well and scored 565 points. They were also commended for showing great team work throughout.

Daylan, Cat-Tien and Ariana are now very proud owners of wonderful medals that will always remind them of their fascinating experience at City Hall.
