Times Tables at Sunnyfields

It was good to see so many parents attending this morning's session given by Peter Warwick. We do have more dates planned and will notify you as soon as they are confirmed.

Birthdays at Sunnyfields

We understand that children enjoy bringing in sweets, chocolate and cake for their friends on their special day. However we have decided that any shared birthday celebration treats should be non-food items. This is because we have a growing number of children suffering food allergies and we need to do all we can to them safe. If children would still like to share birthday treats we would ask that parents send in either a book for the reading corner or a small toy or stationery item.

Please don't hesitate to come to find me in the playground or make an appointment to meet me if there is anything you would like to discuss.

Thanking you all for all your support.

Lisa Meyer, Headteacher

Dear Parents,

This term's CONSULTATION EVENINGS for Classes R to 6 will take place on Wednesday 10th February between 3.45 and 5.00pm and Thursday 11th February between 5.30 and 8.00pm. Please indicate the preferred time for your appointment on the slip below and return it to **your child's class teacher** (not the school office) as soon as possible; times are allocated on a 'first come' basis.

Your child's teacher looks forward to the opportunity to discuss his/her progress, but I would ask that you try and keep the length of your discussion to approximately 10 minutes in order to avoid too long a queue forming. If you are unable to keep the appointment or are running late, please telephone the school so that staff do not have to wait unnecessarily.

We would ask that you bring your child to the meeting as we have found pupil inclusion to be very beneficial for all concerned.

Yours sincerely,

Ms Lisa Meyer
Headteacher
