Learning Times Tables for Parents!

THIS FRIDAY - 29th January in the Hall at 9am

I would like to invite you all to attend a meeting on Friday that is being led by Peter Warwick, the Maths Advisor for Enfield. He will be showing parents how to support their children in learning Maths with a special focus on **TIMES TABLES**.

Children gain most when they have an adult supporting them with their homework so, for the workshop, it is very important that every child has an adult from their family; it can be any family member such as Aunt, Uncle, Gran or Grandad. It means that someone in the family has had firsthand experience of the strategies we use which will support your child at home with regular Times Tables practice.

The lesson will start at **9.00am** in the hall and finish by **10.00am**.

IF YOU ARE ABLE TO TRANSLATE TO OTHER PARENTS DURING THE LESSON PLEASE CONTACT ME OR MRS BARBER. YOUR HELP WILL BE VERY MUCH APPRECIATED AS IT WILL ENABLE FAR MORE PARENTS TO ACCESS THIS VERY IMPORTANT OPPORTUNITY.

I am sure you will agree how important it is that we all work together to support the children. I very much look forward to seeing you at the meeting on Friday.

Yours sincerely,

Ann Richards
Maths Coordinator
