- This is the same as 25% more progress over a year

Our School Ethos

At Sunnyfields staff aim to encourage success and build aspirations within a supportive and inclusive environment that offers all children the opportunity to reach their full potential.

We strive to ensure that high standards of respect and behaviour enable our children to feel secure and happy, regardless of their background, culture, religion or ability.

Effective partnerships with parents, governors and outside agencies are a vital and fundamental part of our success.
