

12th June 2019

Dear Parent/Carer,

Parent-Pupil Hockey Session – 25th June 2019 3.30pm to 4.30pm

During the week of the 23rd June the school will be taking part in the **National School Sports Week – 5 Ways to Wellbeing**, with many different sports happening within that week (check out the timetable on the school website).

Many parents support their children with sport and this is a great opportunity to support your daughter with the sports that are being put on by the PE department.

Hockey has always been a great sport and since the women have won gold in the 2016 Olympics the sport has grown all over the country and England/GB are one of the top teams in the sport. Children from the ages of 5 upwards now begin to play hockey at clubs.

An afterschool hockey club was formed at the school in February and since then it has grown. It would be nice and a great opportunity for you to join in with your daughter and give the sport a go. There will be a fun skills session followed by a game for everyone to get involved in.

It would be great to see as many parents as possible come to take part and support their child. All you need is a pair of trainers and yourselves. We will provide the equipment.

If you would like to take part please return the reply slip to the PE office ASAP.

Kind regards,
Fiona Molligoda

Subject Leader of PE
