

## **Student Behaviour Contract**

**Please discuss this form with your daughter and make sure she is aware of her responsibilities on the trip and the possible consequences should she fail to meet them.**

To ensure a successful trip, enjoyable trip and safe trip, students must agree to:

1. Be responsible for their personal belongings.
2. Respect the itinerary and make sure they are ready for scheduled activities. This may mean setting alarms as needed so they are prepared to leave on time.
3. Respect times designated for "lights-out". Students will be expected to use lights-out time for sleeping. Telephone calls, and other activities will not be permitted.
4. Follow instructions from any member of staff. This includes Sydenham staff, the coach drivers, ski instructors and hotel staff.
5. Conduct themselves in a safe and orderly manner while on transport. Students must use headphones on all personal music devices and are expected to remain in their seats and strapped in while transport is in motion. Food may be brought and consumed on the coach as long as rubbish is tidied up
6. Be polite and courteous at all times, following usual expectations of the school and school trips.

In addition to these basic expectations I must also make it very clear that that any participation, possession, and/or association with tobacco, alcohol or banned substances is totally unacceptable and is likely to result in severe consequences including the requirement that the student involved travels home immediately at their parent's expense.

Finally, students must be aware that poor behaviour prior to the trip may lead to them being unable to travel. Poor behaviour on the trip may result in them being excluded from activities and in extreme cases traveling home early at their parent's expense. This is to ensure the safety of all students and staff which is our priority above all else.
