RE: End of Year Exams

Dear Parents/Carers,

I am writing to inform you that the Year 10 end of year exams will take place over the course of the next month. Students will have exams in all subject areas and their teachers will offer advice about what the exam will entail and what they need to do to prepare.

Attached to this letter you will find an exam timetable that will give you a clearer idea of when each exam will take place. As well as this, students will be given support with revision, as well as extra revision sessions by their subject teachers. These may be after school sessions, so please ensure you are aware when your daughter will attend.

The exams will give subject teachers a clear overview of student progress in their subject area. This information will also be used by the KS4 team to provide support to students as they enter Year 11.

In order to support your daughter through this time we advise that she has at least 8 hours sleep each night and that she has a balanced diet. As you are aware many students suffer from anxiety and stress during summer exam periods. If you feel your daughter needs extra support with managing exam stress, then please feel free to contact me. Support for parents who are dealing with this can be found at: <https://youngminds.org.uk/find-help/for-parents/>

Yours faithfully,

Ms L Suleyman

Year 10 Learning Coordinator
